## IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA

JONATHAN LEE RICHES,	) No. C 07-5877 MJJ (PR)
Plaintiff,	ORDER OF DISMISSAL
v.	
VLADIMIR PUTIN, et al.,	
Defendants.	
	)

Plaintiff, a federal prisoner proceeding pro se, filed this pro se complaint against Vladimir Putin, Mikhael Gorbachev, and several other Russian politicians and citizens.

A federal court must conduct a preliminary screening in any case in which a prisoner seeks redress from a governmental entity or officer or employee of a governmental entity. See 28 U.S.C. § 1915A(a). In its review, the court must identify any cognizable claims and dismiss any claims that are frivolous, malicious, fail to state a claim upon which relief may be granted or seek monetary relief from a defendant who is immune from such relief. See id. § 1915A(b)(1),(2). Pro se pleadings must, however, be liberally construed. See Balistreri v. Pacifica Police Dep't, 901 F.2d 696, 699 (9th Cir. 1988). To state a claim under 42 U.S.C. § 1983, a plaintiff must allege two essential elements: (1) that a right secured by the Constitution or laws of the United States was violated, and (2) that the alleged violation was committed by a person acting under the color of state law. See West v. Atkins, 487 U.S. 42, 48 (1988).

Sections 1915A and 1915(e)(2) accord judges the unusual power to pierce the veil of the complaint's factual allegations and dismiss as frivolous those claims whose factual

G:\PRO-SE\MJJ\CR.07\riches31.dsm.wpd

contentions are clearly baseless. See Denton v. Hernandez, 504 U.S. 25, 32 (1992).	
Examples are claims describing fantastic or delusional scenarios with which federal district	
judges are all too familiar. See Neitzke v. Williams, 490 U.S. 319, 328 (1989). To pierce the	
veil of the complaint's factual allegations means that a court is not bound, as it usually is	
when making a determination based solely on the pleadings, to accept without question the	
truth of the plaintiff's allegations. See Denton, 504 U.S. at 32. A finding of factual	
frivolousness is appropriate when the facts alleged rise to the level of the irrational or the	
wholly incredible, whether or not there are judicially noticeable facts available to contradict	
them. See id. at 32-33.	

Plaintiff alleges that defendants refuse to give him vodka, have made his "hostage room freezing like Siberia," and have given prison guards "AK 47s" and "suitcase nukes." Plaintiff further alleges that a Russian oil company stole the "food budget" and plaintiff's prison, and that defendant Putin plans to become the Warden and subject plaintiff to torture. Plaintiff seeks a restraining order to stop defendants from "playing Russian Roulette with my life and body." As plaintiff's allegations are clearly baseless, irrational or wholly incredible, the complaint will be dismissed as frivolous under sections 1915A and 1915(e)(2).

For the foregoing reasons, this action is DISMISSED.

The Clerk shall close the file.

IT IS SO ORDERED.

DATED: 12/18/07

United States District Judge
